## PRODUCT BENEFITS

RhinoFit's Glutamine Powder is synthesized to improve exercise performance, increase muscle protein synthesis, prevent muscle tissue break down, support immunity, gut health, and recovery. Our formula is micronized for purity and contains no fillers, sodium, or other toxic ingredient.

Our product is synthesized utilizing the latest scientific research and formulated with the purest sources of whey protein concentrate to produce world class results.

Our formula is third party independently tested for heavy metals, impurities, made in the USA, GMP certified, and produced in an FDA registered facility. 1% of the supplements on the market can match our world class standards.

Manufactured at FDA  
Registered and GMP Certified Facilities / 3<sup>rd</sup> Party  
Laboratory Tested for Purity, Potency & Quality.

- Gluten Free
- All Natural
- Zero Added Sugar
- Corn Free

Our Formula	Vs	Other Formulas on the Market.
1. Uses third-party independently tested ingredients that are made in the USA, GMP certified, and made in an FDA registered facility.		1. Source cheap ingredients from heavily polluted soils. Even “organic” supplements not third-party tested have been removed by FDA due to high levels of heavy metals.
2. Uses micronized glutamine with no fillers or toxic ingredients.		2. Uses cheap glutamine with fillers and toxic ingredients.
